

11-12TH APRIL

INTERNATIONAL SOCIETY OF AESTHETIC PLASTIC SURGERY (ISAPS) VISITING PROFESSOR PROGRAM

International Society of Aesthetic Plastic Surgery (ISAPS) Visiting Professor Program jointly organized by the Hungarian Plastic Reconstructive and Aesthetic Surgeon Society together with the University of Szeged is hosting a lecture series with internationally recognised invited speaker Dr. Gianluca Campiglio MD, PhD Vice President of ISAPS in Szeged. Both medical students, general and plastic surgery residents as well as surgeons and plastic surgeons are kindly welcome. First day consists of lectures giving an exciting insight into selected topics of plastic surgery. „Live surgery” on Friday will provide an excellent opportunity to see different procedures performed by experts in field followed by interactive discussion.

All visitors are welcome!
